

COVID-19 POOL RULES

These rules are in ADDITION to the standard rules

1. Pool users use the facility at their own risk.
2. The pool will be open 7 days a week 10am – 6pm.
3. Only residents and temporary guests are permitted to use the pool. Please see the Residents' Club Rules, Guidelines and Policies document for the definition of a temporary guest.
4. Social distancing is everyone's responsibility and we need you and your guests to self-monitor. It is impossible for staff to be everywhere at all times to monitor this for you. Additionally, we do not always know who makes up each individual household.
5. All furniture has been removed from the deck. Residents may bring their own chairs and umbrellas if they choose to do so.
6. When you depart the pool, all chairs and personal belongings must be removed from the deck. Items will be removed if left unattended for 60 minutes.
7. The main gate closest to the building will be used as an entrance, and the back gate will be used as an exit.
8. Swimming is permitted during hours of 10 am – 6 pm. The pool deck closes at 6 pm and must be vacated at that time.
9. Everyone is required to sign in and also sign an acknowledgement of the rules each time they arrive at the pool. All adults (18 years and older) are to sign their own form. Adults will be required to sign for minors.
10. A janitorial company has been hired to clean the restrooms, handrails, gates, etc., on a regular basis throughout the day.
11. Each group should bring their own sanitizer.
12. Abide by CDC & DHEC guidelines, as well as COVID-19 facility signage that sets forth measures that must be followed to ensure safe usage of community amenities.
13. Expect increased sanitation and cleaning and for periodic closures to allow such cleaning.
14. All people ages 2 years and older are required to wear a mask while inside the restrooms.
15. The inside of the building, with the exception of the restrooms, will remain closed.
16. The grill is not available for use.
17. Parents should be sure that their children can adequately follow social distancing guidelines.

The BRRA will continue to evaluate these policies as situations evolve and review our owner's needs. The Board thanks you for your continued patience and support of this process.
